

Tamerlane Condominium Association

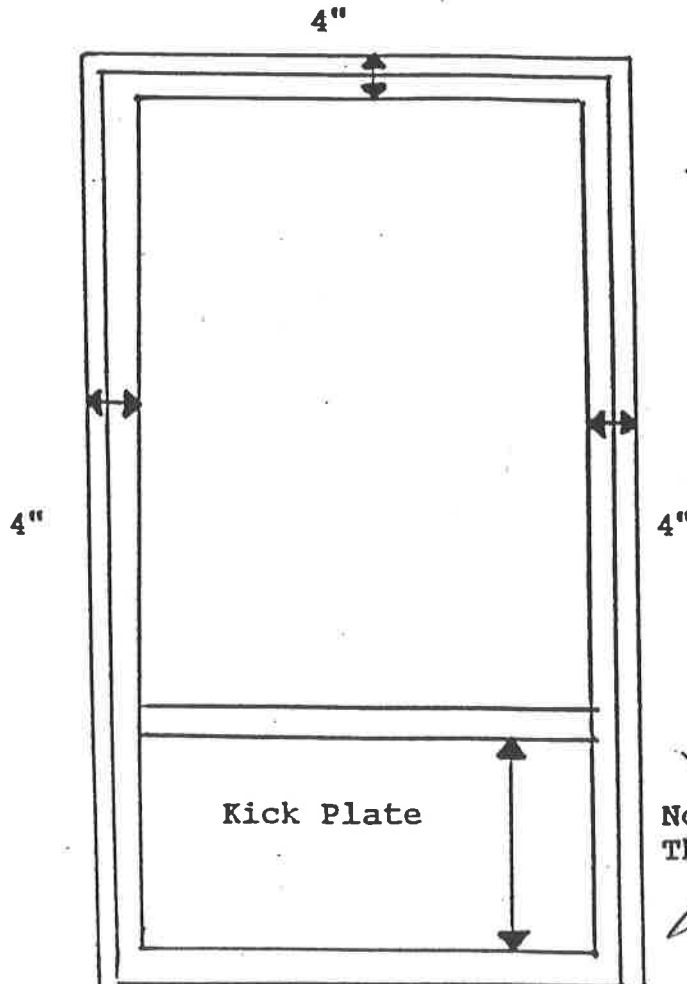

OPTION #1

S T O R M D O O R S

Storm Doors were approved by the Tamerlane Board. The doors are to be a WHITE, FULL VIEW DOOR. An Architectural Control Form must be submitted to the office for approval, prior to installation. The form must have a description and a sketch of the door. The thickness of the frame around the glass is not to exceed 4 inches and the kickplate is not to be more than 14 inches high. (overall)

S E E B E L O W

*DOORS ARE NOT TO HAVE ANY DECORATIONS ON THEM.

Header Kick plate
one now acceptable
so self-storing
type doors can be installed
